FINANCIAL ASSISTANCE

It is the policy of the YMCA to attempt to provide services to anyone who desires to participate and understands the mission of the YMCA regardless of the ability to pay the published fees. Those not able to pay the full membership fee may be awarded a partial scholarship based on their ability to pay and the YMCA's ability to fund the subsidy. Applicants must first submit a YMCA Financial Assistance Application. All applicants will be contacted after a completed application is received. This process usually takes 3–4 weeks.
