

RULES FOR THE SML YMCA TENNIS LADDER

The original seeding for the ladder was done by Mike Hagan but now anyone joining the ladder, whether it be doubles or singles, they will be placed at the bottom of the list.

The ladder is available for members and non-members but all ladder participants will pay the applicable court fees including guest fees.

Persons playing unlimited due to being in certain doubles groups can use that for your fees

Matches will consist of two sets, no ad with a 10 point tiebreaker for a 3rd set unless both players or teams mutually decide another format.

The challenger will have the choice of serving or receiving, the side of the court to begin the match, or defer it to the challengee.

The challenger must supply a new can of balls for the match.

If the challenger wins the match, he or she or the team takes the challengees place on the ladder and the challengee moves down one spot.

Challenges must be completed within 2 weeks of the challenge and, if the challengee fails to accept the challenge, it is an automatic loss..

Complaints, disagreements or protests must be registered the front desk or Mike Hagan and will be reviewed by Mike Hagan and/or the management.

To encourage play on the ladder, for the time period June 15, 2017 through July 15, 2017, court costs will be half price.

Anyone deciding to drop off the ladder, please contact Mike Hagan and, if it is doubles, please contact your partner immediately. Your partner may want to find a new partner.

Any rules not covered in these rules are covered by USTA rules.

Anything posted on the board is to be posted by Mike Hagan. The results of any match should be reported to the front desk who in turn are to report to Mike Hagan.

The success and continuation of this ladder is dependent on all of you getting out to play. This is a great way to meet new players and other Y members.
