

## Summer Quick-Start Junior Tennis

**WHAT:** Quick-Start tennis is an instructional program for kids ages 5 - 12. Balls, racquets, and court size are adjusted based on age and ability to help kids learn to rally and play quickly in a fun and rewarding way! Technique, footwork, and stroke fundamentals along with introduction to gameplay and scoring will be learned. Every lesson will build on what each individual player has already learned. Sportsmanship will always be emphasized! An overall understanding of the sport to prepare them for a lifetime of enjoyment in the game of tennis is our goal!
